BPIR – Building Production Information Requirements SabreSeal SG Sanitary Grade Silicone

Declaration

Sabre Adhesives Ltd has provided this declaration to satisfy the provisions of Schedule 1(d) of the Building (Building Product Information Requirements) Regulations 2022.

Product Name

Product Code

SabreSeal SG Sanitary Silicone White 300ml

1700041

SabreSeal SG Sanitary Silicone Clear 300ml

1700042

Product Description

SabreSeal SG is a mildew-resistant (anti-fungal), neutral cure silicone sealant formulated specifically for sanitary-grade applications where high humidity and temperature exist. Contains a special anti-fungal compound, tested to ASTM G21.

Scope Of Use

SabreSeal SG will bond to form a durable, flexible, waterproof seal on most common wet area building materials.

SabreSeal SG, also known as sanitary silicone, has excellent adhesion properties and adheres to most common surfaces including glass, metals, plastics, and wood.
