## BPIR – Building Production Information Requirements SabreFix PU Construction Adhesive

### Declaration

---

Sabre Adhesives Ltd has provided this declaration to satisfy the provisions of Schedule 1(d) of the Building (Building Product Information Requirements) Regulations 2022.

Product Name	Product Code
--------------	--------------

---

SabreFix PU Construction Adhesive Natural 310ml	1400108
---	---------

### Product Description

---

SabreFix PU Construction Adhesive is an advanced single-component polyurethane-based construction adhesive. SabreFix PU is highly chemical resistant and waterproof to DIN EN 204: D4 making it suitable for both exterior and interior applications. It also features a foaming penetration action which makes it ideal for bonding uneven or porous substrates as it will expand to fill surface cavities.

### Scope Of Use

---

SabreFix PU Construction Adhesive is developed especially for the construction industry and will bond most types of construction materials including timber (damp and dry), concrete, brick, metals, plasterboard, MDF, particleboard, fibreglass, polystyrene, timber floor cassettes, and many other porous and non-porous substrates.
